

Outcomes Assessment in Short for Curricular Faculty

The Basics

- SLO stands for Student Learning Outcomes.
- SLOs at Modesto Junior College are the overarching, expected learning results for students that we aim to achieve across our institution.
- SLOs are primarily student-focused, and they are measurable across a variety of contexts.
- Course-related SLOs are known as CLOs or CSLOs
- Instructors measure their CLOs per their set criteria and input that information in eLumen (database for managing SLOs).
- Every course is assessed based on a schedule created by each department. Courses are assessed at least once in a span of 2 or 2.5 years.
- SLOs play an important role in intuiotional improvement.

Things to Do as a Faculty Member

How to Stay on Top of CLO Assessments

1. Know your assessment schedule.
2. Plan your test ahead.
3. Attend Outcomes Assessment Labs at the end of the semester when announced and enter your information, or enter the information on your own.
