1. Guest Speaker: Dr. Nancy Sill
2. Your input on the shared slides
3. Kudos to all of you: We made it to 93% completion rate for fall 2016
4. **Things to do in February & March**
 - i. Get mapping organized and completed; let's try to do some of this today
 - ii. Encourage faculty members who have left behind 2015 fall and 2016 spring assessments to enter information so that the PLO data of their programs reflects accuracy.
 - iii. Organize a Data-Discussion Day (could also be in early April)
