I. AB86 Stanislaus Motherlode July 31st Report

Corrections to the July 31st Report were noted and will be included in the December 2014 report.

II. Adult Ed Regional Planning Summit

The Adult Ed Regional Planning Summit will be held in Sacramento on Monday, October 6 and Tuesday, October 7. The Stanislaus Motherlode Consortium has four available slots.

The following individuals will represent the Stanislaus Motherlode Consortium: Mike Torok, Columbia College Dean of Instructional Services, Arts, and Sciences, Alice Pollard, AB86 Consortium Project Consultant, Isaias Rumayor, Principal, Turlock Adult School, and Ruth Luman, ESL Professor, MJC. If a fifth slot is available Oscar Zagazeta, GED Math Instructor, Turlock, will attend.

III. Hanover Regional Market Analysis

The Hanover Regional Market Analysis report was discussed. It was noted that the Hanover Research Group gets their information from the Department of Labor statistics and information could be up to two years behind. The analysis will allow the consortium to begin asking questions: How do we improve Adult Ed? What do our students need? How does what we do affect California's economy?

IV. Objective #3 Workgroups

Educational Pathways

**Alignment of: Placement, Curriculum, Assessments, Progress Indicators, Major Outcomes
(Awards of High School Diplomas, CTE Certification, etc.)**

Objective #3 Workgroups agenda item was tabled until the 9/25/14 meeting.

V. SCOE Contracts for Professional Development

Cindy Young passed out packets to be completed by the teachers in attendance who would be participating in the consortium meetings and professional development activities related to AB86.

VI. Other

- a. Alice Pollard will be meeting with Motherlode consortium members on Monday, September 15. She will ask the members if they would like to participate in combined meetings.
- b. The next report is due on October 31, 2014. Objectives 3, 5, 6, and 7 must be completed. Additional meeting dates were scheduled. Meetings will be opened up to one counselor from each site.
