Introductions were made.

II. Doodle Poll

In preparation for a joint meeting with AB86 Stanislaus and Motherlode Consortium Members, it was asked that all members participate in the Doodle Poll that was sent via email. The joint meeting will be held at the Stanislaus Culinary Arts Institute in Oakdale. Possible date: Monday, October 13. A meeting invite will be sent to confirm date, time, and location.

III. Hanover Research Group

The Hanover Research Group has conducted six interviews so far. For those who were interviewed, it was felt that several questions asked were geared more toward administrators versus teachers. Questions were also repetitive.

IV. Meeting Minutes Review

The minutes from the September 11 meeting were reviewed. No changes were made. A motion to accept the minutes was made by Oscar Zagareta and seconded by Rick Gonzalez.

V. AB86 Website

The AB86 website was displayed for all who attended. A recent article in the Modesto Bee highlighted that anyone searching on the internet for ESL programs in Stanislaus County would not be able to easily locate any programs. Discussion ensued and a recommendation was made that the consortium should consider purchasing a domain name via AB86 resources to improve communication and improve google location of site. Jose Aldaco made a motion to support the expenditure of funds to purchase a domain name. Marcos Huerta seconded the motion. Motion passed unanimously.
