Modesto Junior College 2021 Distinguished Alumni Award

Mr. Jeremy Stolle

Jeremy Stolle is a first-generation college graduate, recording artist, concert singer and current cast member in the Broadway production of *The Phantom of the Opera*. Jeremy found his way from the football team into the music program at Modesto High School by pure fate. His love for the theater grew quickly and his education began its much-needed focus.

Jeremy set out on a path to higher education to pursue his new passion for music and theater. He was referred by an influential high school teacher to Modesto Junior College to study classical music with Dr. Lewis and Shirley Woodward who, at the time, were an institution of music teaching in the area.

Even with the challenge of parking before class, Jeremy still managed to focus on his passion, singing with the community chorus, starring in the yearly musical, working for the Modesto Symphony Orchestra and finishing an education that would award him a full-ride scholarship to the University of California at Irvine. This was all achieved without leaving the MJC campus. It was this engagement with and care from college personnel and fellow students that prepared him for his Broadway dreams.

After moving to New York in pursuit of a risky career, Jeremy set out on an adventure that would take him all around the world. In addition to *Phantom of the Opera*, Jeremy starred in the Disney Theatrical Group's pre-Broadway production of *The Hunchback of Notre Dame*, also appearing as Jehan on the original cast recording of *The Hunchback of Notre Dame*.

Other adventurous theater credits include the Broadway workshop production of *A Tale of Two Cities*, the roles of Adam in *Seven Brides for Seven Brothers*, Trevor Graydon in *Thoroughly Modern Millie*, Lionel in *Camelot* and Gaston in multiple national productions of *Beauty and the Beast*!

Jeremy also played the title role in *Jekyll and Hyde* and *Scarlet Pimpernel*, for which he won an Elly Award for "Best Actor in A Musical."

As a concert artist, Jeremy has performed with symphonies on Broadway and throughout the world. And, as principal of his production company, Stolle House Productions, Jeremy has performed his show "No More Talk of Darkness" with Performing Arts Centers nationwide.

In addition to live performance, Jeremy has a solid online fanbase as a recording artist with millions of hits on Spotify. His first solo album, "In the Moment," has sold in over 30 countries. And, Jeremy's television appearances include *Good Morning America*, *All My Children*, *As the World Turns* and *Rescue Me*.

Sr. Jeremy Stolle

Jeremy Stolle es un graduado universitario de primera generación, artista de grabación, cantante de conciertos y miembro del elenco actual de la producción de Broadway de *El Fantasma de la ópera*. Jeremy encontró su camino del equipo de fútbol al programa de música en Modesto High School por puro destino. Su amor por el teatro creció rápidamente y su educación comenzó su enfoque tan necesario.

Jeremy emprendió un camino hacia la educación superior para perseguir su nueva pasión por la música y el teatro. Un influyente profesor de secundaria lo remitió a Modesto Junior College para estudiar música clásica con el Dr. Lewis y Shirley Woodward, quienes, en ese momento, eran una institución de enseñanza de música en el área.

Incluso con el desafío de estacionarse antes de la clase, Jeremy se las arregló para concentrarse en su pasión, cantando con el coro de la comunidad, protagonizando el musical anual, trabajando para la Orquesta Sinfónica de Modesto y terminando una educación que le otorgaría una beca completa para la Universidad de California en Irvine. Todo esto se logró sin salir del campus de MJC. Fue este compromiso y el cuidado del personal de la universidad y sus compañeros de estudios lo que lo preparó para sus sueños de Broadway.

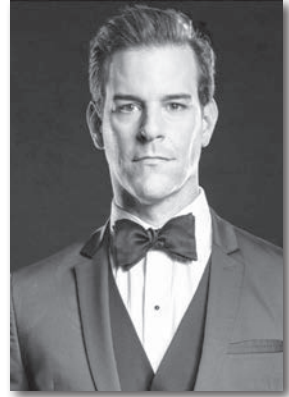

Después de mudarse a Nueva York en pos de una carrera arriesgada, Jeremy se embarcó en una aventura que lo llevaría por todo el mundo. Además de *El fantasma de la ópera*, Jeremy protagonizó la producción previa a Broadway de *El Jorobado de Notre Dame* de Disney Theatrical Group, y también apareció como Jehan en la grabación del elenco original de *El Jorobado de Notre Dame*.

Otros créditos teatrales aventureros incluyen la producción del taller de Broadway de *A Tale of Two Cities*, los papeles de Adam en *Seven Brides for Seven Brothers*, Trevor Graydon en *Thoroughly Modern Millie*, Lionel en *Camelot* y Gaston en múltiples producciones nacionales de *Beauty and the Beast*.

Jeremy también interpretó el papel principal en *Jekyll and Hyde* y *Scarlet Pimpernel*, por la que ganó un premio Elly como "Mejor Actor en un Musical".

Como concertista, Jeremy ha actuado con sinfonías en Broadway y en todo el mundo. Y, como director de su compañía de producción, Stolle House Productions, Jeremy ha presentado su espectáculo "No More Talk of Darkness" con los Centros de Artes Escénicas de todo el país.

Además de la actuación en vivo, Jeremy tiene una sólida base de fans en línea como artista de grabación con millones de visitas en Spotify. Su primer álbum en solitario, "In the Moment", se ha vendido en más de 30 países. Y las apariciones en televisión de Jeremy incluyen *Good Morning America*, *All My Children*, *As the World Turns* y *Rescue Me*.

Modesto Junior College 2021 Student Speaker

Ms. Heather Denise Collins

“I hope that I can show others that it is never too late to change direction, deepen your knowledge, and try something new.” At 30 years old, this year’s commencement speaker, Heather Denise Collins, came back to school determined to finish something she had started over a decade before - a college degree.

Heather was born and raised in Escalon, CA where she also graduated from the local high school. Heather had her daughter when she was 23 years old, and many of her dreams and goals were put on hold so that she could focus on raising her child. During the experiences of those years, she learned to be resilient, focus on her self-esteem, and dream about a better future for herself and her daughter. In 2015, Heather knew it was the right time to finish her degree at MJC, where she would be able to focus on herself both academically and emotionally. She wanted a sense of belonging and became incredibly active on campus. She tackled the honors program, served as President of the Anthropology club, Vice President of the Geology Club, and even moonlit as Penelope the Pirate for Campus Life events. She embraced the college experience wholeheartedly.

Heather states, “I am proud of my accomplishments and the work that I have done, and I’m looking forward to continuing my education and crossing new finish lines.”

Heather plans to transfer to Stanislaus State in the Fall of 2021, where she will pursue her Bachelor’s in Anthropology. Her research interest is Ethnogeology. She hopes to come back to MJC as a professor someday. Heather is grateful for her daughter, Riley, for being her motivation to continue moving forward in life. She would also like to acknowledge her father, Richard, for his unconditional love and support.

Srta. Heather Denise Collins

“Espero poder mostrarles a los demás que nunca es demasiado tarde para cambiar de dirección, profundizar sus conocimientos y probar algo nuevo”. A los 30 años, la oradora de graduación de este año, Heather Denise Collins, regresó a la escuela decidida a terminar algo que había comenzado más de una década antes: un título universitario.

Heather nació y se crió en Escalon, Ca, donde también se graduó de la escuela secundaria local. Heather tuvo a su hija cuando tenía 23 años, y muchos de sus sueños y metas quedaron en suspenso para que pudiera concentrarse en criar a su hijo. Durante las experiencias de esos años, aprendió a ser resiliente, a concentrarse en su autoestima y a soñar con un futuro mejor para ella y su hija. En 2015, Heather supo que era el momento adecuado para terminar su carrera en MJC, donde podría concentrarse en sí misma tanto académica como emocionalmente. Quería tener un sentido de pertenencia y se volvió increíblemente activa en el campus. Ella abordó el programa de honores, se desempeñó como presidenta del club de antropología, vicepresidenta del club de geología e incluso participó como Penélope la pirata para los eventos de Campus Life. Ella abrazó la experiencia universitaria de todo corazón.

Heather dice, “Estoy orgulloso de mis logros y del trabajo que he realizado, y espero continuar mi educación y cruzar nuevas líneas de meta”.

Heather planea transferirse a la universidad de Stanislaus en el otoño de 2021, donde seguirá su licenciatura en antropología. Su interés de investigación es la etnogeología. Espera volver a MJC como profesora algún día. Heather está agradecida con su hija, Riley, por ser su motivación para seguir avanzando en la vida. También le gustaría agradecer a su padre, Richard, por su amor y apoyo incondicional.

The Star-Spangled Banner

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bomb bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Modesto Junior College Anthem Blue and White

All hail our Alma Mater! All hail the Blue and White!
Symbol of truth and honor, And courage to do right.
To thee we raise our voices, To thee we sing in praise.
May thy glory living be: All hail the Blue! The White!

Unfold thy beauteous banner. Send forth thy radiant light.
Ever may strength and goodness, Attend and give thee might.
To thee in grateful honor, To thee in grateful praise.
We shall ever loyal be: All hail the Blue! The White!

Congratulations
Class of 2021
