1. Welcome and Check-in

Welcomes and check-ins were made. Robert Stevenson thanked the group for their attendance.

2. LFM Student Success Event Report Out

Patrick Bettencourt and Shelley Circle reported the group met, but the majority of the meeting was a consultancy piece with Monterey College. Due to this, they ran out of time and were not able to strategize how to bring the student success teams together or brainstorm ideas for a meet and greet. They will address these topics at their next meeting.

3. LFM Data Team Presentation

Christian Million shared a presentation highlighting the team's progress and asked for feedback from the PIT Crew. Attendees critiqued the report, asked questions, and offered suggestions. A discussion ensued on the type of data to be collected and the role of the data liaison. The presentation will be emailed to PIT Crew members for further vetting.

4. Paving the Path Sessions

a. Programs in Two Schools (primary school/forms/cohorts/data) – Homework

Ran out of time, item tabled.

The meeting concluded at 9:59 am.
