1. Welcome and Check In

Crew checked in with each other.

2. LFM 2 Update (15 min)

An additional person will serve on the LFM 2 team, at a cost of \$1,000. This will raise the membership to six. Success rates of students who participated in the FTIC courses cannot be measured, as data is unavailable.

3. Alternate Paving the Path Dates (15 min)

Due to current labor negotiations, the team decided to put the Paving the Path sessions on hold until January 2019. The team will focus on long range planning for the remainder of the year.

Action Item: Tina and Rob will send out the campus-wide email notification.

4. Paving the Path – Career and Jobs Update

J. Abbott shared a Career, Jobs, and Competencies Planning draft she developed and a CTE online resource currently under construction. The team agreed to continue with the current direction and to delay the Holistic Advising session until after the Career and Jobs session.

5. Check Out

James and Achieving the Dream advisor, John Nixon, will be present at the next meeting to discuss the holistic advising piece.
