MODESTO JUNIOR COLLEGE

The MJC School of Agriculture cordially invites you to the 2023 NACTA Judging Conference. Established in 1921, Modesto Junior College is the home of a premier agriculture program that serves the extensive agriculture industry of the Central Valley of California.

We are proud to host the NACTA event in which contests will be held in the 75,000 square foot Agricultural Education (ACE) Pavilion, Livestock Production Facilities, the Beckwith Farm, and additional contest event sites as needed.

Modesto is centrally located in the heart of the San Joaquin Valley. It is approximately two hours west of Yosemite National Park and two hours east of the Pacific Coast and San Francisco.

Preparations are underway for the 2023 NACTA Judging Conference. More detailed information will be posted on the MJC Agriculture website (<https://www.mjc.edu/instruction/agens/nacta.php>) with additional details regarding contests, accommodations, and other planned activities.
