Name _____

Student ID # _____

Educational Major _____

Fall____ Spring____ Summer____

Educational Goal_ AA_AS_AAT_AST_CERT/SKILLS REC

Catalog year _____

Counselor/Faculty Advisor _____

Date _____

During the Advising Session, as you learn about suggested courses for new students, write down course names and numbers of classes you would like to take your first semester.

First Semester Courses

Section #	Course Name & Number	Units	Campus	Days	Times	Location
1.						
2.						
3.						
4.						
5.						
6.						
7.						

Alternate First Semester Courses

Section #	Course Name & Number	Units	Campus	Days	Times	Location
1.						
2.						
3.						
4.						
5.						
6.						
7.						

Later, look for these courses on the MJC class schedule. Go the www.mjc.edu, click on "Class Schedule" icon in the top right hand corner and the Class schedule will appear. Course/Department headings will appear alphabetically. To find a particular course click on the heading, then type the course number in the box below. Click "Submit" and all section of the course will appear, listing section numbers, days and times, and whether each section is "Open." "Closed," or has a wait List.

Choose the section you want (ones that are open or have short Wait Lists) for each course, and for each one write down the 4-digit section number, the units, campus (east or west), days, times, and location (building and room). Choose courses that do not conflict with each other. Remember, if you put yourself on a Wait List you must attend that class the first day.
