

Dear Student,

ID 0020000

**A review of your MJC grades at the end of the summer 2015 semester indicates that you are not in Good Standing.**

Students are considered “not in Good Standing” when the cumulative Modesto Junior College (MJC) GPA is below 2.0 and/or when 50% or more of the overall units attempted have the following grades: W, I, NC, and NP.

**Your current standing is: Academic Probation, second semester**

Please see page 2 of this letter for detailed definitions.

This is the **SECOND** consecutive semester where you have not made adequate progress at MJC. **PLEASE NOTE:** three consecutive semesters not in good standing will lead to **DISMISSAL** from the College.

**Important Notice:** Standings also affect Priority Registration. Per Title 5 §58108 students on academic and/or progress probation for two consecutive terms will lose Priority Registration. **This means that you have lost your Priority Registration/Enrollment for spring 2016.** You will register last, regardless of your eligibility status in other priority categories such as Disability Services, EOP&S, and Veteran status. If you have extenuating circumstances you may appeal your loss of Priority Registration/Enrollment. Appeals must be submitted by the established deadline for the respective term. The Loss of Enrollment Appeal form can be found at this link <http://mjc.edu/student-services/forms/>.

You are highly encouraged to seek assistance from your instructors RIGHT AWAY and to utilize the following services:

- Visit your instructors during their office hours. Details should be listed on your course syllabi.
- Sign up for Study Skills 25 or 78 courses.
- Take advantage of Academic Support. Visit the following link for details, <http://mjc.edu/instruction/library/>.
- Visit with a counselor to discuss strategies for success and future educational planning.
- Refer to our website <http://mjc.edu/student-services/> for additional services.

You will return to Good Standing when your cumulative MJC record shows the following: 1) a 2.0 or higher GPA and/or 2) less than 50% of the overall units attempted have the following grades: W, I, NC, and NP. Returning to Good Standing will also reinstate your Priority Registration.

In order to help you understand this serious situation we strongly recommend that you set up an appointment with a counselor to develop a plan to improve your Standing. Failure to improve your Standing will lead to Dismissal from the college.

**Notification:** Satisfactory Academic Progress (SAP) standards for BOGW (Financial Aid Fee Waiver) become effective Fall 2016. For more information click on [BOGW Regulations](#).

For availability of **General Counseling** appointments, please call (209) 575-6080.

**If you are a participant in a special program**, please contact your program counselor.

Sincerely,

Martha Robles  
Dean of Counseling & Student Learning  
Modesto Junior College

Students are considered in “**Good Standing**” when the cumulative Modesto Junior College (MJC) GPA is 2.0 or better and when less than 50% of the overall units attempted have the following grades: W, I, NC, and NP.

When students are not in good standing, they are placed on Probation. Three consecutive semesters not in good standing will lead to Dismissal from MJC.

There are **two** types of Probation and Dismissal:

- “Academic” which is based on your cumulative (overall) MJC GPA.
- ”Progress” which is based on the overall percentage of Withdrawal, Incomplete, and No Credit/No Pass marks on your record.

“**Academic Probation**” occurs when the student has enrolled in a minimum of 12 units at MJC and his or her cumulative grade point average falls below 2.0. If a student’s cumulative GPA remains below 2.0 for three consecutive semesters, the student’s standing will be “Academic Dismissal.” The student will be dismissed from MJC for one calendar year.

MA1 = Academic Probation, first semester  
MA2 = Academic Probation, second semester  
MAD = Academic Dismissal

“**Progress Probation**” occurs when the student has enrolled in a minimum of 12 units at MJC and the percentage of W, I, NC and NP’s reaches or exceeds 50% of the total attempted units. If this percentage remains at 50% or above for three consecutive semesters, the student’s standing will be “Progress Dismissal.” The student will be dismissed from MJC for one calendar year.

MP1 = Progress Probation, first semester  
MP2 = Progress Probation, second semester  
MPD = Progress Dismissal

Please note: It is possible for a student’s standing to include both Academic and Progress Probation and/or Dismissal at the same time.

Explanations and students’ responsibilities for each academic status, as defined by Yosemite Community College District Board Policy 5560 Probation, Disqualification, & Readmission, are listed in the MJC Catalog and our website at <http://mjc.edu/student-services/counseling/status.php>.
