

Special Part-Time Petition for Advanced Admission (Must be at least 13 yrs old)

Please read the following information carefully and complete on the reverse side the Special Part time High School Petition for eligibility at MJC.

MJC has an open agreement with local high school districts to enroll high school students in college classes.

Eligibility Requirements

Dual Enrollment students are permitted to enroll in maximum of 11 units each semester. To enroll in more than 11 units, requires the approval of high school principal and MJC designee.

To be considered for admittance as a special part-time student, the student must meet the eligibility standards as established in Education Code Sections 48800 and 76001.

- Meet the academic prerequisite for the class; including the required placement level for any math, reading or English class.
- Enroll in only degree applicable (courses numbered 50-399), excluding physical education courses;
- Ability to benefit from advanced scholastic or vocational work as determined by the Yosemite Community College Governing Board, which authorizes the President (or designee) to make such judgments.

In order to be approved for future semesters, concurrently enrolled students must be in good academic standing at MJC (**defined as having a cumulative 2.0 grade point average**). The number of W's in relationship to attempted units is taken into consideration.

Documentation Requirements

In order for high school students to enroll in college course, the following is required:

- Submit on-line college application for admission;
- Submit a completed Special Part-Time Petition for Advanced Admission form with signed parental or guardian consent;
- Submit a completed Special Part-Time Petition for Advanced Admission form with signed approval of his/her principal;
- A parent or guardian of a pupil who is enrolled in a charter/home-school may petition directly without the signature of a principal, and present a copy of the affidavit submitted to the State or County Office of Education to document the student's involvement in an educational process.

Students enrolled in 7th or 8th grade must submit a letter of recommendation signed by their school's principal.

Upon high school graduation each graduating senior, who enrolled in MJC classes as a high school student, must reapply as a "high school graduate" online. Failure to do so may delay registration for classes.

Enrollment Fees

MJC will waive the enrollment fees (for California residents established with California Law) of students who enroll as special part-time.

Special full-time students will be responsible for all enrollment fees and any other related fees (health fee, etc.), Including out-of-state tuition, if they wish to enroll in more than 11.5+ units.

Special Part-Time Petition for Advanced Admission (Must be at least 13 yrs old)
