Once the courses are added into the Preferred Class List area, if there is room in the course, select Register-under the Action area. Ignore the Action for All sections at the top. You can only use one or the other when trying to add. If the class has a waitlist already, then select waitlist instead of Register. Then you should be able to submit it to add. If there is are any pre-requisite issues, a red message will

appear on top. If you have taken the course previously, and are retaking it, you may see “3rd Enrollment Required”
