98th Annual

COMMENCEMENT

2020

Modesto Junior College President

Dr. James Houpis

Modesto Junior College welcomes the Class of 2020, along with their family and friends, to our 98th Commencement Ceremony. Our college understands the challenges that many of you face as you strive for a better life for yourself, your family, and your community. Your journey to a degree or certificate began with a first step, with many that followed. MJC is proud of your persistence and hard-earned achievement.

Harriet Tubman once said, "Every great dream begins with a dreamer. Always remember, you have within you the strength, the patience, and the passion to reach for the stars to change the world." Wherever life takes you next, may her words encourage each of you to make a positive difference in your community and around the world.

Modesto Junior College le da la bienvenida a la clase del 2020, también a sus familiares y amigos, a nuestra 98a Ceremonia de Graduación. Nuestro colegio comprende los desafíos que muchos de ustedes enfrentan al luchar por una vida mejor para usted, su familia y su comunidad. Su jornada hacia a un título o certificado comenzó con un primer paso, con muchos otros que siguieron. MJC se enorgullece de su persistencia y de su logro duramente obtenido.

Harriet Tubman una vez dijo, "Todo gran sueño comienza con un soñador. Siempre recuerda, que tienes en tu interior la fortaleza, la paciencia y la pasión para alcanzar las estrellas que te permitan cambiar el mundo ". Dondequiera que la vida lo lleve más adelante, espero que sus palabras alienten a cada uno de ustedes a hacer una diferencia positiva en su comunidad y en el resto del mundo.

Modesto Junior College
2020 Distinguished Alumni Award

Mr. Jody Hayes

Jody Hayes has traveled a common path for many Modesto Junior College students, emerging from a background of challenge and adversity to form a strong work ethic and desire to elevate his accomplishments in business, at home and in our community.

Jody was born in Arkansas and relocated to California at a young age with his single mother and two older sisters. They eventually settled in Modesto where he attended local schools and graduated from Thomas Downey High School in 1989. While his school effort lacked priority, he understood the benefit of pursuing advanced education through the example of one family member who had attended MJC and went on to a successful engineering career in the defense industry. Jody followed that path and enrolled in MJC.

Jody recalls arriving at MJC with tremendous pride in the pursuit of a higher education, and the frequent anxiety that came with academic challenge and doubt of success. Ultimately, he experienced both during his three years at MJC; withdrawing or failing several classes, while also gaining academic success. He went on to complete his Associate in Arts Degree in General Studies in 1992 and continued forward to earn his Bachelor of Science Degree in Business Administration from California State Polytechnic University, Pomona in 1994.

He established his career with key management roles in the manufacturing and hospitality industries prior to joining Stanislaus County as a Human Resources Manager in 1999. His leadership skills were quickly recognized with Jody elevating through the ranks.

In August 2017, Jody was appointed Chief Executive Officer of Stanislaus County, assuming responsibility for the leadership of approximately 4,500 employees, 27 departments, and a $1.4 billion-dollar budget.

Jody is quick to point out that all success is a team effort, at home and at work. His "home team" includes his wife Angela and three children, Sydney, Spencer and Aidan. All three of his children have taken classes at MJC, with his oldest graduating in 2020 and his youngest starting college level coursework while a junior in high school. He states, "I am deeply honored to receive the Distinguished Alumni Award for 2020. Some of my greatest gifts in life have been the opportunities others have provided me to learn through the challenge of failure. I found my passion and my future on this campus, and I am forever grateful for my time at Modesto Junior College."

Sr. Jody Hayes

Jody Hayes ha recorrido un camino común para muchos estudiantes de Modesto Junior College, emergiendo de un trasfondo de desafíos y adversidades para formar una ética laboral sólida y un deseo de elevar sus logros en los negocios, en el hogar y en nuestra comunidad.

Jody nació en Arkansas y a una edad temprana se mudó a California junto a su madre soltera y a sus dos hermanas mayores. Eventualmente se establecieron en la ciudad de Modesto donde él asistió a escuelas locales, graduándose de la preparatoria Thomas Downey High School en 1989. Si bien su esfuerzo académico carecía de prioridad, mediante el ejemplo de un familiar que asistió a MJC y logró una exitosa carrera en Ingeniería dentro de la Industria de la Defensa, él entendió el beneficio de procurar una educación avanzada. Jody siguió ese camino y se inscribió en MJC.

Jody recuerda haber llegado a MJC con un orgullo enorme en la búsqueda de una educación superior y con la ansiedad frecuente que viene con el desafío académico y la duda de éxito. Por ultimo experimentó ambos durante sus tres años en MJC; dando de baja o reprobando muchas materias mientras lograba el éxito académico. En 1992, logró obtener un Diploma Asociado en Artes de Estudios Generales (Associate in Arts Degree in General Studies, en inglés) y continuó estudiando hasta obtener su Licenciatura en Ciencias de la Administración de Negocios (Bachelor of Science Degree in Business Administration, en ingles) por parte de California State Polytechnic University, en Pomona, en el año 1994.

Ha establecido su carrera con papeles gerenciales claves dentro de las industrias de manufactura y hotelería antes de ser parte del Condado de Stanislaus como Director de Recursos Humanos en 1999. Sus habilidades de liderazgo fueron reconocidas rápidamente con Jody ascendiendo de puestos.

En Agosto del 2017, Jody fue nombrado Director Ejecutivo del Condado de Stanislaus (Chief Executive Officer, nombramiento en inglés), asumiendo la responsabilidad de dirigir a aproximadamente 4,500 empleados, 27 departamentos y un presupuesto de $1.4 billones de dólares.

Jody señala que, el éxito se debe al esfuerzo en equipo, tanto en el hogar como en el trabajo. Su "equipo" en el hogar lo componen su esposa Angela y sus tres hijos: Sidney, Spencer y Aidan. Todos sus tres hijos han tomado clases en MJC; su primogénito se gradúa en el 2020 y su hijo más pequeño ha iniciado cursos a nivel superior en MJC mientras está en su tercer año de preparatoria. Afirma: "me siento sumamente honrado de recibir el premio Distinguished Alumni Award 2020 (Premio Ex-Alumno Distinguido 2020, en español). Algunos de los mayores regalos en la vida han sido las oportunidades que otros me han brindado para aprender por medio del desafío del fracaso. encontré mi pasión y mi futuro en estas instalaciones, y estoy eternamente agradecido por mi tiempo en Modesto Junior College."

Modesto Junior College
2020 Student Speaker

Mr. George Retana

"I am proud of myself, because after serving seven years in the Marine Corps, I finally started college. Now, I can proudly say I am OFFICIALLY a Modesto Junior College graduate!" Through his life experience, this year's commencement speaker, George Retana, has always had the discipline and determination to be successful no matter the circumstances. He never really experienced a school graduation ceremony since he finished high school early to enlist in the Marine Corps, and as he states, "escape from my abusive environment." George is 33 years old today. His last graduation ceremony was when he was 13 years old.

George was determined to have a better life style, a more positive environment, a better tomorrow. "I was homeless, bouncing from house to house. I slept on the floor for several nights and ate out of trash cans." Joining the Marine Corps, was one the best decisions he's ever made. He learned structure and discipline. George is now a Marine Corps Veteran with 2 Combat Deployments to Iraq. He served from 2005-2012.

When applying to MJC, George was determined to finish his degree in Sociology in one year. During his time at MJC, George successfully maintained a 4.0 GPA, served as the Inter-Club Council Deputy Speaker, participated and graduated from the Project LEAD program, and was a nominee for the Student of the Year Award. Additionally, outside of MJC, he serves as the Vice President of a non-profit organization called Veterans in Action, Inc.

George plans to transfer to Stanislaus State in Fall 2021, with a goal of becoming a Licensed Marriage Family Therapist. He wants to thank God for allowing him to get to this point in his life. George is thankful for his daughter, Nevaeh, and family and friends. "I am grateful for the great staff at MJC who invested and believed in me especially, professors Melanie Berru, Ginger Charles, Carson Grubaugh, and Al Smith." He tells us his time at MJC has been one of the best times of his life and feels privileged to be an MJC Pirate.

Modesto Junior College
Estudiante Orador 2020

Sr. George Retana

"Estoy orgulloso de mí mismo, porque después de servir siete años en el Cuerpo de Marines, finalmente comencé la universidad. ¡Ahora puedo decir con orgullo que soy OFICIALMENTE un graduado de Modesto Junior College! " A través de su experiencia de vida, el orador de graduación de este año, George Retana, siempre ha tenido la disciplina y la determinación para tener éxito sin importar las circunstancias. En realidad, nunca experimentó una ceremonia de graduación escolar desde que terminó la escuela secundaria antes de tiempo para alistarse en el Cuerpo de Marines y, como dice, "escapar de mi entorno abusivo". George tiene hoy 33 años. Su última ceremonia de graduación fue cuando tenía 13 años.

George estaba decidido a tener un mejor estilo de vida, un entorno más positivo, un mejor mañana. "Estaba sin hogar, yendo de casa en casa. Dormí en el piso durante varias noches y comí en botes de basura ". Unirse a la Infantería de Marina fue una de las mejores decisiones que ha tomado. Aprendió estructura y disciplina. George es ahora un veterano de la Infantería de Marina con 2 despliegues de combate en Irak. Sirvió de 2005 a 2012.

Al aplicar para MJC, George estaba decidido a terminar su licenciatura en Sociología en un año. Durante su tiempo en MJC, George mantuvo con éxito un GPA de 4.0, se desempeñó como Vicepresidente del Consejo Interclubes, participó y se graduó del programa Project LEAD y fue nominado para el Premio al Estudiante del Año. Además, fuera de MJC, se desempeña como vicepresidente de una organización sin fines de lucro llamada Veterans in Action, Inc.

George planea trasladarse a la universidad de Stanislaus en el otoño de 2021, con el objetivo de convertirse en un terapeuta familiar matrimonial con licencia. Quiere agradecer a Dios por permitirle llegar a este punto de su vida. George está agradecido por su hija, Nevaeh, y su familia y amigos. "Estoy agradecido por el excelente personal de MJC que invirtió y creyó en mí especialmente, los profesores Melanie Berru, Ginger Charles, Carson Grubaugh y Al Smith". Nos dice que su tiempo en MJC ha sido uno de los mejores momentos de su vida y se siente privilegiado de ser un pirata de MJC.

The Star-Spangled Banner

O say can you see, by the dawn's early light,
What so proudly we hail'd at the twilight's last gleaming,
Whose broad stripes and bright stars through the perilous fight
O'er the ramparts we watch'd were so gallantly streaming?
And the rocket's red glare, the bomb bursting in air,
Gave proof through the night that our flag was still there,
O say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

Modesto Junior College Anthem
Blue and White

All hail our Alma Mater! All hail the Blue and White!
Symbol of truth and honor, And courage to do right.
To thee we raise our voices, To thee we sing in praise.
May thy glory living be: All hail the Blue! The White!

Unfold thy beauteous banner. Send forth thy radiant light.
Ever may strength and goodness, Attend and give thee might.
To thee in grateful honor, To thee in grateful praise.
We shall ever loyal be: All hail the Blue! The White!

Congratulations

Class of 2020
