

### **What Is Project LEAD?**

Project LEAD stands for Leadership Education And Development. This program is hosted by MJC's Campus Life & Student Learning Office. The purpose of Project LEAD is to help teach general aspects of leadership as it applies to students participating in MJC student activities.

### **What happens in Project LEAD?**

Students will meet twice a month during the spring semester. The program will focus on MJC History & Structure, Communication, Teamwork, Networking & Professionalism, Service, Leading With Soul, Time Management, Conflict Resolution, and Going Beyond Leadership. These sessions will run for 90 minutes. Some sessions will be held off campus. Transportation is provided.

In addition to the meeting sessions, students will be paired with a campus mentor with whom they will be expected to meet at least once per month. The last component of the program is a community service project in which everyone participates as a group.

### **Why should I participate in Project LEAD?**

This is a great opportunity to be a better leader in your club, school activities, job, or personal life. In Project LEAD, you will be able to network with students and leadership professionals. This program is also a fantastic reference to have on your professional resume. Program participants will receive a t-shirt and binder. Students who graduate will receive a Project LEAD polo shirt and a certificate.

### **Who is eligible?**

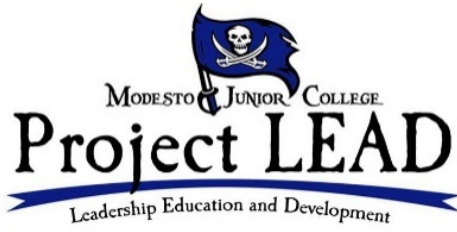

Any MJC student who is enrolled in courses and is part of any MJC club, activity, sports, or student government are eligible to apply. The program will accept 21 students.

### **When can I apply?**

You may and should apply right away! Applications will be taken on a first-come, first-served basis as there are only 21 slots available. Applications can be submitted to program coordinator, Alejandra Espinoza, in the Student Activities Center office (East Campus Student Center, Room 3). Applications will be accepted up until January 4th or until slots fill up, whichever comes first.

### **Any Questions?**

Please contact Alejandra Espinoza at (209) 575-6479 or [espinozaa@mjc.edu](mailto:espinozaa@mjc.edu)
